Our Katrina experience was:

Our home was completely destroyed, we lost 1 vehicle. We are still displaced & staying with family while we wait for a trailer. I have lost my job of 5 years at Rickey's in Waveland. We love the City of Waveland & can't wait to be home.

Write something special that you would like Santa to bring you or your family:

I really wish Santa could Bring us back to the days before katrina, but, I really understand if he can't. Other than that maybe he could help with my children's →

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

As young as they are this whole thing is hard if not harder on them than us. my little girl is 100% girly she loves Baby Dolls & dressup & Barbies and anything that has anything to do with being a girl. She is 4.

my little boy loves to play Basketball & Baseball, ever course Baby size he is 18 months

Along with everything else they lost their toys & their beds & movies & everything else we have built as a family. But we will appriciate everything. Thank you very much
